

Plastics Pledge

Approved by Ticky the Turtle!

Take the IAPCO Plastics Pledge

Erasmus Conferences Tours & Travel S.A.

pledge to help to rid the meetings industry of single-use plastic by:

- Making one real measurable change within my organisation and/or events

My measurable change will be:

Erasmus already encourages its team members to avoid single use plastic in take away food and beverages by providing the following facilities available to all in the office: ceramic mugs, dishes, stainless steel cutlery, water glasses, refillable glass bottles with water in refrigerator, microwave oven, toast maker and coffee making machine. Moreover, plastic badge holders have been eliminated in 98% of meetings organized by Erasmus. A comprehensive plan to further reduce single use plastic in office and in events has been developed for 2019 Q1 and Q2.

Bonus Pledge Points:

- We are committed to making real change in our local meeting industry by encouraging local stakeholders and suppliers to sign the IAPCO Plastics Pledge
- We plan on doing an activity within our local meetings community to help reduce single-use plastic in our environment (some ideas can be found on page 5)
- We have banned single-use plastic within our organisation

We encourage videos and photos to support your pledge and any bonus activities, so that Ticky the Turtle can really share your achievements as an organisation.
