

Plastics Pledge

Approved by Ticky the Turtle!

Take the IAPCO Plastics Pledge

CPO HANSER SERVICE GmbH

pledge to help to rid the meetings industry of single-use plastic by:

- Making one real measurable change within my organisation and/or events

My measurable change will be:

1. We separate plastic waste from paper and organic waste.
 2. We have replaced plastic water bottles with glass bottles.
 3. We collect bottle caps to support the campaign "Caps against Polio".
- The project supports the international campaign "End Polio Now" by the Melinda and Bill Gates Foundation, Rotary International

Bonus Pledge Points:

- We are committed to making real change in our local meeting industry by encouraging local stakeholders and suppliers to sign the IAPCO Plastics Pledge
- We plan on doing an activity within our local meetings community to help reduce single-use plastic in our environment (some ideas are on page 5 of the toolkit)
- We have banned single-use plastic within our organisation

We encourage videos and photos to support your pledge and any bonus activities, so that Ticky the Turtle can really share your achievements as an organisation.
