

# Plastics Pledge

Approved by Ticky the Turtle!

## Take the IAPCO Plastics Pledge

C-IN

pledge to help to rid the meetings industry of single-use plastic by:

- Making one real measurable change within my organisation and/or events

My measurable change will be:

1. Reduce usage of disposable plastics and paper
2. Not offering water in plastic cups
3. Recycle glass, paper, plastics, but also biowaste and tetrapacks
4. Sustainable catering (give the possibility to pass on remaining food)
5. Educate, encourage clients and give tips for eco products

### Bonus Pledge Points:

- We are committed to making real change in our local meeting industry by encouraging local stakeholders and suppliers to sign the IAPCO Plastics Pledge
- We plan on doing an activity within our local meetings community to help reduce single-use plastic in our environment (some ideas are on page 5 of the toolkit)
- We have banned single-use plastic within our organisation

We encourage videos and photos to support your pledge and any bonus activities, so that Ticky the Turtle can really share your achievements as an organisation.
